

Brightpoint is a leading child and family service agency in Illinois advancing the well-being of children by investing in families to disrupt the systemic and multi-generational cycle of racial, social and economic inequality. **Our work drives us toward:**

Prevention

A continued but deliberate shift upstream with an emphasis on prevention

Family

Recognition and commitment to family as the critical asset for child well-being

Equity

A more intentional focus on racial and social equity to disrupt the cycle of poverty and child maltreatment

Children, Youth & Families served in FY22 by Brightpoint:
30,688

In FY22, we provided ongoing services to children, youth and families in three program areas:

Early Education
1,012

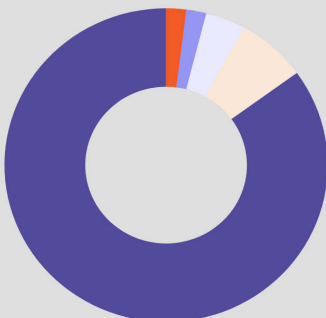

Child Welfare
5,419

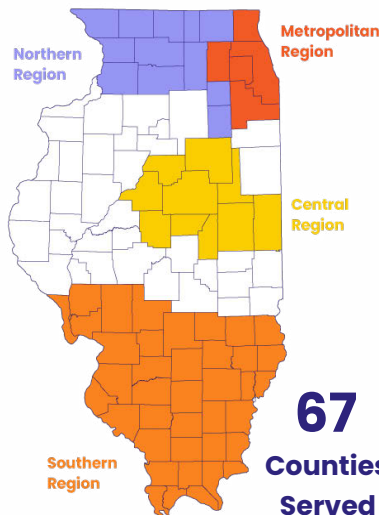

Family & Community Services
7,415

Last year, **2,327** youth participated in Brightpoint programs to reduce risk factors and ensure their success at home, in school and in their community.

Public & Private Support Program Revenue: \$78,338,881

2,503 children remained with their families and did not enter foster care through dedicated support to strengthen their families.

1,122 children and their caregivers received support for their mental health from our behavioral health team.

Home visitors coached **674** families striving to transform their children's future.

1,177 children and youth who experienced neglect or abuse and their families received foster care services.

243 children and youth returned to their families or other loving, permanent homes.

Our two crisis nurseries in Bloomington and Rockford provided emergency child care and prevention services to **180** families and improved the long-term well-being of **276** children by reducing family stress and connecting them to supportive resources.
